Solar Tubular

ABOUT US

Solar tubular Extron is a trusted battery manufacturer in India that offers a wide range of batteries for household applications and vehicles. With cutting edge technology, hi-tech manufacturing facilities, wide experience and technical expertise, we make high quality batteries.

Our range of solar-tubular batteries are trusted for their reliable performance. They provide extra reserve capacity, powerful backup and are long lasting as well. Available in up to 300 Ah, Extron solar batteries keep your home shine bright by utilizing the power of the Sun in the most efficient way. Choose Extron solar batteries to power your home with clean and reliable power of the Sun.

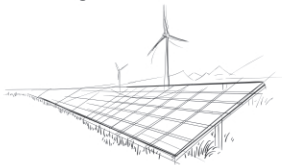

OUR MISSION

To fabricate world-class quality products at competitive cost through technology and team work

OUR VISION

Our vision is to become a recognized Solar Tubular batteries and creating benchmark value for investors.
